Match funding up to £2500 to help your business grow

The Action Plan Implementation Subsidy supports business growth by helping with the cost of specialist support. If you're looking to grow your business, you can access a 50% subsidy of up to £2500 which can be used for:

- Accountancy and finance
- Marketing advice
- Web development
- Social media
- Legal advice
- PR... *and more*

...from a consultant of your choice! This isn't an exhaustive list – most other topics are covered too! You can choose to use your existing accountant or consultant if you wish (just not for what they already do for you!)

If you're a business:

- Based in Cumbria*?
- With less than 250 employees?
- Looking to create or safeguard existing jobs?

...then call us today to unlock your potential!

We'll match you with a business adviser (free of charge) to help you set out an action plan and apply for the subsidy.

*ERDF eligibility does apply (this means that some sectors aren't eligible – contact us for clarification).
